

The Gambrinus Stein Club

Established 1972

Announcement of Mini Convention

When: June 5th, 6th, 7th 2026

The Gambrinus Stein club will be holding a mini-Convention in the Gaithersburg Maryland area, and we would like to highlight the following information.

1. There will be a very high quality and diverse auction conducted by Fox Auctions on Saturday June 6th. It makes such a difference to be about to see and hold the objects, a live sale is always the best!
2. We wanted to make the event super affordable; the event is co-sponsored by Gambrinus and Fox auctions. We were able to achieve the amazing price of \$40 per person and still have all the quality of past events.
 - Snacks and drinks included
 - Saturday light lunch during the auction
 - Saturday night buffet meal at a restaurant
 - Sunday, snacks, drinks, and a light lunch
3. We decided to make ‘Stein sale tables’ free to really encourage people to bring items to sell.
4. On Friday evening we will be adding a “show and tell” and we will have displays set up, for educational purposes it will be a fun addition. Drinks and snacks will be served.
5. The hotel is slightly higher because it’s a busy season for them, but we have the same hotel we have used in the past at \$129 a night, breakfast is included. Also note, the weather is very nice in this area at the beginning of June. We can’t wait to see everyone in June!
